The department launched a Virtual Recreation Center! This is your place to find active, fun, recreation resources through these unprecedented times. We are committed to ensuring that our community has resources to maintain healthy lives, foster relationships, and continue to create memorable experiences. During these challenging times, our Virtual Recreation Center will help bring ideas to keep you and your loved ones healthy and entertained. This concept is taking the place of our WSREC@HOME Virtual Activities. Please <a href="#">see our website for more information.</a>		
The department is working on launching a NEW website and online registration software. More information will be released soon.		
The West Seneca Ice Rink closed on 11/19/2020 and will remain closed until further notice. We will re-evaluate this on a week by week basis. This is to reduce the risk of exposure and help keep our facilities and residents/families/employees safe.		
Please see the attached information regarding our upcoming Holiday Events.		
All programs are contingent upon the following factors (a) staffing levels, see below on how to apply (b) NYS Guidelines for re-opening, and (c) factors related to COVID-19. We are still collecting employment applications for these programs.		
All recreation programs are dependent and contingent upon staffing. We are now collecting applications. More info: <a href="http://www.westseneca.net">www.westseneca.net</a>
