Subject: Update on Town of West Seneca Sign

On October 28, 2019, there was a vehicle accident at Main Street and Union Road. A vehicle hit another vehicle and then continued across the intersection, striking a utility pole guide wire and the Town of West Seneca electronic sign. The utility pole snapped the tether of the Spectrum Cable line, causing it to drape across the hang low across the intersection. The Town of West Seneca fell over and was damaged. The Town obtained an estimate of the sign damage, which was \$58,580.00. The insured's property damage policy limit was \$25,000.00. The Town of West Seneca was one of two claimants. The Town of West Seneca was assigned \$17,009.25 in damages. The other claimant was assigned the remaining \$7,990.75. The claim is closed.
