The hours and amenities may vary, please check our Facebook page "West Seneca Youth & Recreation" for any schedule changes. There may be times where one pool is closed, the diving well is closed and/or other sections of the pool(s) or complex is closed. Regular admission fees and all policies still apply.

Please note that the Large Pool & Wading Pool needs to have a minimum number of lifeguards who are properly certified on duty (in rotation) in order to operate. If staffing levels do not meet these requirements then one or both pools may (a) not open or (b) close early. Information regarding these requirements can be found below, in the ECDOH Safety Plans.

The Veterans Park Large Pool and/or Wading Pool & Mushroom may close early if:

1.) CLOSING DUE TO WEATHER

In the event the Aquatics Complex is closed due to weather:

- A. Before 4:59 PM for a period of one hour or longer, both pools shall close for the remainder of the day. Staff shall be sent home.

In the event Swim Lessons cannot run due to COVID-19 the town will prorate refund the classes.

COVID-19

The Town of West Seneca is subject to all government mandates related to COVID-19 and aquatics facilities. The government mandates are frequently changing, and the Town of West Seneca is staying diligently abreast of all changes. It may be necessary to make changes to the program or facility from time to time to comply with such mandates. The Town will make any necessary adjustments to ensure it is fully compliant at all times. Keep in mind that to operate the aquatics facility, the Town must have sufficient staffing levels. Those staffing levels may be affected by COVID-19 and may interfere with the Town's ability to operate the aquatics facility. This means (a) any and all aquatic programs and/or (b) parts of or the entire aquatics facility could be cancelled or closed at any time with no notice for an unknown amount of time.

2-10-2021

The Town, in sole discretion, may deem it necessary to adjust the schedule of the facility from time to time to be compliant with COVID-19 mandates, required staffing levels or for other good causes. There will be no refunds of fees due to any changes in the aquatics schedule.

West Seneca Youth and Recreation created a poll. 3d · 🌐

#WestSeneca – We are quickly putting together tentative plans for the Veterans Park Aquatics Complex for the upcoming season. Due to COVID-19 there is a good chance that for the LARGE pool (similar to local public pools that were open in 2020), capacity will be limited and will be in time blocks. Please complete this poll. If your family were to visit the large pool would you prefer a 90-minute time block or a 120-minute time block to swim.

Please note that the COVID-19 situation and regulations change rapidly, and this could not be the case as we get closer to late June, early July. Further, all programs are contingent upon proper staffing levels. We appreciate and value your feedback.

Again, If your family were to visit the large pool would you prefer a 90-minute time block or a 120-minute time block to swim.

What happens if there are not enough lifeguards?	If the department knows in advance the schedule will be changed, the hours of operation will be reduced. The department began canvassing for lifeguards for the 2021 summer in December 2020.
