Re: Ethics Board Re-appointments

Dear Honorable Town Board:

Please consider re-appointing current Ethics Board members Vice Chairperson Amy Carpenter, Rodney Montgomery, and Chairperson Michael Teager to revised terms to align with West Seneca's ethics code.

Per the ethics code: "Three members shall be appointed in 2021 and two members to be appointed in 2022."

Of the current members, Theresa Funk and Larry Kavanaugh, Jr. were re-appointed in 2021, and Michael Teager's term is set to expire on 12/31/2021. However, terms for both Amy Carpenter and Rodney Montgomery pre-date the current code and weren't revised alongside the current code's adoption, and both members expect 2021 to be the final year of their current term.

By re-appointing the three members to the following terms, the Ethics Board's members' terms will appropriately align with the current ethics code:

Amy Carpenter: re-appoint to term ending 12/31/2021
Rodney Montgomery: re-appoint to term ending 12/31/2021
Michael Teager: re-appoint to term beginning on 01/01/2021 and ending 12/31/2025
