

# WEST SENECA ENVIRONMENTAL COMMISSION

Town of West Seneca • 1250 Union Road • West Seneca, NY 14224

March 9, 2021

Gary Dickson, Supervisor  
Town of West Seneca  
1250 Union Road  
West Seneca, NY 14224

Pursuant to our earlier communication, please be advised of the following that transpired at our last Environmental Commission meeting held on February 23, 2021:

1. Mike Wass has volunteered to attend the Erie County Environmental Management Council meetings on behalf of the Town of West Seneca. Amelia Greenan can contact Mike directly for his personal information ( \_\_\_\_\_ ), I believe that the Town Board must approve the recommendation and send a letter to Tom Hersey or to Bonnie Lawrence at the Erie County Department of Environment and Planning.
2. Camie Jarrell has resigned from the Environmental Commission due to other pressing personal obligations. We accepted her resignation last night and thanked her for her service. There is now a vacancy on the Commission to fill her unexpired term.

Please contact me with any questions.

Thank you and best regards,

Evelyn Hicks

Cc: William Hanley, William Bauer, Joseph Cantafio, Jeffrey Piekarec,  
Town Board Members  
Amy Kobler, Town Clerk

# COUNTY OF ERIE

MARK C. POLONCARZ

COUNTY EXECUTIVE

January 29, 2021

Honorable Gary A. Dickson  
Supervisor, Town of West Seneca  
1250 Union Road  
West Seneca, NY 14224

Dear Supervisor Dickson:

Please be advised that your municipality currently does not have an official representative on the Erie County Environmental Management Council (ECEMC). The County is in the process of appointing representatives to the ECEMC for two-year terms to begin on June 1, 2021 and expire on May 31, 2023.

The ECEMC is composed of representatives from the municipalities in Erie County that have formally adopted an Environmental or Conservation Advisory Committee (CAC) and 12 at-large appointees selected by the County Executive. Members of the ECEMC advise the County Executive and County Legislature regarding a variety of environmental concerns. The Council also facilitates networking among municipalities and provides an interface between local conservation boards and the Erie County Department of Environment and Planning. The ECEMC meets at 5:30 PM on the third Tuesday of each month at the Erie County Fire Training Academy in Cheektowaga. However, for the time being they are meeting virtually.

**If you have a CAC, we will need a communication from your office by March 26, 2021** stating the appointee's name, mailing address, phone number and e-mail address. Letters can be sent to Erie County DEP, 95 Franklin Street, 10<sup>th</sup> Floor, Buffalo, NY 14202 or e-mailed to [bonnie.lawrence@erie.gov](mailto:bonnie.lawrence@erie.gov).

If you do not currently have a CAC, we encourage your community to form one as environmental issues affect almost every aspect of municipal work. If there is an interest in forming a committee, members of my staff as well as some of the existing EMC members would be willing to help you with the process. Although you cannot officially appoint a representative to the County EMC without a CAC, we do encourage you to designate an unofficial representative to receive correspondence, attend meetings, and have the opportunity for your community to participate in council projects and activities.

Please do not hesitate to contact me at 858-7674 if you require additional information. You may also call Bonnie Lawrence, Deputy Commissioner and the Erie County liaison to the ECEMC, at 858-8560. We look forward to hearing from you.

Sincerely,

Thomas R. Hersey, Jr.  
Commissioner
