Dear Colleagues,

Under Section 10 of Municipal Home Rule Law of the State of New York, towns are granted the legal authority to adopt local laws concerning the size of their legislative body, mode of selection and terms for elected offices in their town.

At a future board meeting, I will be introducing a proposed local law to enact term limits on the elected offices in The Town of West Seneca. While I do have some preferences on what elected offices should be included in this proposed local law, how many terms officials should be limited too, as well as the enactment process, I wanted to extend this opportunity to the rest of the town board members to share their thoughts on what should be included in this proposed law.

Sincerely,

*Jeffrey Piekarec*
