---

Dear Colleagues,

I have chosen Sheri Courteau as my appointment to The Deer Taskforce. Ms. Courteau is a longtime town resident, who graduated from UB with a master's degree in School Counselling and is currently employed as a school counselor with the Iroquois School District. She is very passionate about serving her community and is committed to helping to resolve the many deer related challenges that currently exist within our town.

Sincerely,

*Jeffrey Piekarec*

Town Councilman
