

# TOWN OF WEST SENECA

BRIAN J. ADAMS  
SUPERINTENDENT OF  
HIGHWAY DEPARTMENT

April 14, 2021

To: Honorable Town Board  
From: Brian Adams  
Re: Equipment Purchase – Ravo Street Sweeper

Dear Honorable Town Board Members,

Please authorize the Highway Superintendent to purchase the following equipment from Northeast Sweepers:

**2020 Ravo 5-iSeries Street Sweeper under Keystone Purchasing Network Contract # KPN-202012-05 (Hydrostatic Pure Vacuum Sweeper) in the amount of \$281,882.56.**

This machine will replace our oldest street sweeper from 1990 and make a great addition to our fleet. It is very versatile and includes additional features not available with our other equipment. Among many benefits, it comes with a catch basin cleaner to help clean our town's drainage intakes. Cleaning these intakes reduces the chance of blockages that can lead to roadside flooding – promoting the safety of our residents and their properties while helping preserve infrastructure. This purchase is long-overdue and will be very beneficial to re-establishing a collaborative equipment replacement rotation designed to reduce cost, time, and maintenance.

The cost for this equipment purchase will be split into seven (7) equal annual payments with the first payment not due until one (1) year after machine delivery. Therefore, this purchase will have no impact on the current 2021 budget, and funds will be made available in equipment line item # 2.5110.0200 the following year.

Sincerely,

Brian Adams  
Superintendent of Highways
