## **Amalfi Express Café Abbreviated Business Plan**

Amalfi Express Café is designed to combine the fast paced, high volume fast food industry with the gourmet café industry thus filling a void in the market for quality products in seconds. We will accomplish this goal by using the highest end ingredients and equipment, implementing a double-sided drive-thru system and using ordering ahead features to expedite the pickup time.

### **Product line**

Our product line will include all the drinks that can be found on a typical café menu with the addition of blended drinks including smoothies. We will only serve food that requires no preparation (i.e. fruit, muffins, cookies) to maintain our high volume goals. We will also be selling our specialty coffee beans by the pound and our loose and bagged tea.

### **Business Hours**

Monday – Saturday 6a.m. - 4p.m. Sunday 7a.m. - 2p.m.

We will have 5 employees with the addition of the two partners working the café.

### **Building Plans**

The Building will be 8'x16' with 2 drive-thru lanes located in Wimbledon Plaza at 220 Center rd. It will only require an electric hookup; the water and waste system will all be self contained and waste will be dumped at an offsite location. The structure will be built off site and brought in by Semi-trailer and put into place with a crane, only requiring minor assembly on location. The offsite build time estimation is two months; on location assembly is one day.

We look forward to serving our community a great line of products by a small local company. We also look forward to our future relationships with Carl Bueme of Wimbledon Plaza and the Town of West Seneca.

Attached you will find site plans and the blueprints of Wimbledon Plaza along with a consent form signed by the owner of the plaza. Pictures of similar business our design will be loosely based off will also be included. We thank you for your time and would be happy to provide any more information upon request. We can be reached at any time at the contact information below.
