Re: Jasmine Ave
ECWA Required Resolution for additional Hydrants

Honorable Board Members,

As part of the proposed Jasmine Avenue Waterline Replacement, two (2) additional hydrants will be added. This is in an Erie County Water Authority Direct Service and West Seneca Fire District 6 currently pays the Erie County Water Authority a fee per hydrant per year for exercising the valves on these hydrants and future hydrant replacement as necessary for their proper maintenance and use. The ECWA requires that when hydrants are added that the Town Board acknowledges their addition through the approval of a resolution. Please consider and approve the resolution below:

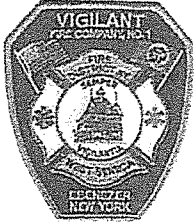

"The Town Board of the Town of West Seneca acknowledges the addition of 2 new hydrants at the proposed Jasmine Avenue waterline replacement. Further the Town acknowledges on behalf of the fire district and resolves to pay for the Hydrant Fee that will be charged by the Erie County Water Authority (ECWA)."

Sincerely,
