Honorable Town Board  
Town of West Seneca

**Re: Award of Contract – 2021 Generators Project**

Honorable Board Members,

On October 12, 2021 we received three (3) separate bids for the 2021 Generators Project. This project is to install a new generator at the Maryon Pump Station and replace the aging generator at the Plant 5 pump station. A copy of the bid checklist is enclosed for your information and review. The low bidder was Weydman Electric, Inc with offices at 747 Young Street in Tonawanda NY with a bid amount of \$148,000. Of this, \$72,000 is for the generator at Maryon and \$76,000 is for the generator at Plant 5. The town had included in this year's budget \$75,000 at each location for this work.

Weydman Electric has completed this type of work on many projects in Western New York and we are confident they will be able to complete this project. Therefore, we recommend that the Town Board pass a resolution **"Accepting the Bid received from Weydman Electric, Inc for the 2021 Generators Project, and awarding the Contract to them in the amount of \$148,000"**.

Very truly yours,

*Steven R. Tanner, P.E.*
