

# TOWN OF WEST SENECA

BRIAN J. ADAMS  
SUPERINTENDENT OF  
HIGHWAY DEPARTMENT

TO: Honorable Town Board  
FROM: Brian Adams  
DATE: November 10, 2021  
RE: **HIGHWAY DEPARTMENT-DUMP TRUCK**

Dear Honorable Town Board:

Given the uncertainty with the current vehicle market, it is imperative to act on securing equipment when given the opportunity. Please approve the request allowing the Highway Superintendent to complete a purchase order with Beam Mack Sales Service (Buffalo Truck) referencing the Onondaga County Heavy Truck Statewide Contract #8996 in the amount of \$160,989.42. The purchase will be for a new tandem axel dump truck for the Highway Department. Funds will be available in the equipment capital reserve line for 2021 or the equipment line as allocated in the 2022 preliminary budget depending on delivery date of the vehicle.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Adams", written over a large, faint, stylized signature graphic.

Brian Adams

Superintendent of Highways

39 SOUTH AVENUE • WEST SENECA, NEW YORK 14224 • (716) 674-4850
