Dear Town Board:

I plan to formally introduce a proposed local law on term limits at a future board meeting. While it was rejected by the town board in 3-2 vote last summer, 2 new board members, who publicly supported the proposed term limits law, have now taken office.

I would like to give the new board a chance to weigh in this evening on what they would like to see included in the proposed local law before it is formally introduced.

Sincerely,

Jeffrey A. Piekarec

Town Councilman
