Re: Emergency Bid – Select Demolition of a portion of the Town Highway Garage

Honorable Board Members,

At the January 20th Board meeting, we will be asking you to approve a contract for select demolition of a portion of the Town Highway Garage that needs to be taken down due to the Christmas Fire. The emergency bid opening is January 18th, 2022 and we will be able to provide the board with the name and contract amount at that time. For the Board meeting, we will be requesting the board to pass a resolution accepting the lowest responsible bid, awarding a contract for that bid and allowing the Supervisor to sign all the necessary agreements to commence with this work.

Very truly yours,

Steven R. Tanner, P.E.
