Dear Members:

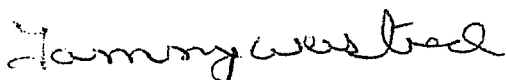

As the owner of Great Lakes ice cream Station better known as "The Caboose", I am addressing you regarding my new LED sign. In the spring of this year the new sign was installed. Along with updated to the "cart" and the surround of the sign, which was built to go along with the railroad theme.

The sign has been a great success for the caboose with letting customers know of new menu items and events at the caboose. We are now closed for the season and I would like to be allowed to offer the benefit of the sign to other business' on N. America and Ransier Dr. I know there is a need for exposure for these business' as some have approached me and inquired about renting the sign.

Some business' have not asked and just put there signs out front on my lawn. Those signs are not pretty and make our town look trashy. I would like to be able to offer these business' advertising with my sign which looks much better than the stick in the ground plastic lawn type signs.

I feel this would be a great opportunity for my neighboring business' to reach the public. It also would be helpful with income to my business which is limited to 6 months of income.

Sincerely,

Tammy Weisbeck
